

COMPANY OVERVIEW

Established in October 2007 by Founder and Managing Director, Wayde Rampersad, Code Red Security Services Limited is an organization of security professionals geared towards providing a high standard of security services throughout Trinidad & Tobago to both the business and public sectors through the ongoing training of its officers complimented with constant supervision by management personnel.

At Code Red, we have embarked on a mission to build a strong foundation for our company, not only by the selection of our employees but also the careful selection of our clients. We strongly believe that choosing the right client plays an important role in taking us forward and helping us to maintain the level of professionalism that we would like to offer.

During the first six months of operations, we acquired very selective, high-profile clients. We have also provided temporary security services for private residences, private events & functions, commercial and industrial locations.

Code Red Security Services Ltd provides professional services with:

- Officers that are thoroughly screened and well-trained
- Individualized responsiveness
- Competitive security rates
- Lower security officer turnover
- Error-free payroll processing

In March 2008, the Supplies Department was established. Its sole purpose - to supply specialized Security, Law Enforcement and Military Equipment to governmental protective agencies, as well as security companies.

OUR VISION

To become the best provider of security services in Trinidad & Tobago by using a unique formula of professional service and technology to achieve our mission of delivering excellence.

OUR MISSION

To maintain and continually improve our professional relationship with both our clients and officers through effective communication, available technology and personalized service.

OUR VALUES

Throughout our organization, we adhere to the principles of trust, ethics, lawfulness and honesty in our actions and decision-making.
